Follow the sign “Stadtzentrum Linden”. Right before the TOTAL petrol station, turn left, direction Leihgestern. Follow the main road even if it changes its name. Exit the both roundabouts straight ahead. After leaving Großen-Linden and after having crossed a railway bridge, our headquarters come into view on the right (grey-white building with lots of glass). At the roundabout, take the first exit (Kurt-Schumacher-Strasse) then turn right again (Konrad-Adenauer-Strasse). Follow this road which turns right again, then turn left into the car park. Our headquarters are in the bigger of the two buildings.

We wish you a good journey!
